

On Tuesday, December 4, 2018, Covington High School administration was notified of a verbal threat made by a student. Immediate steps were taken by Assistant Principal Chris Jones and School Resource Officer Butch Brown to locate the student and investigate the verbal threat. The threat was not credible. Students reported the verbal threat to CHS staff. Local law enforcement has been working with Covington High School.

We appreciate the actions of the students who reported the verbal threat. Again, the verbal threat was not credible. Covington City Schools will not tolerate threats of any nature and will follow proper discipline procedures. Law enforcement continues to work with the administration and we will follow their procedures as well.

Please continue to talk to your children about reporting what they hear or see. We continue to strive to provide a safe learning environment for all students and staff.
