

PROGRAMS FOR STUDENTS WITH DISABILITIES

Generally

The Covington City School Board provides a free, appropriate public education for all children and youth with disabilities, ages 2 through 21, inclusive, who are residents of Covington City or who are not residents of Covington City but are residents of Virginia and who are enrolled in a full-time virtual school program provided by the Board. To the maximum extent appropriate, students with disabilities are educated with children who are not disabled.

An Individualized Education Program (IEP) is developed and maintained for each child with a disability served by the Covington City School Board. The program is developed in a meeting of the child's IEP team, which includes the child's teachers, parent(s), the student (when appropriate), a school division representative qualified to provide or supervise the provision of special education services, an individual who can interpret the instructional implications of evaluation results and other individuals at the discretion of the parents or school division in accordance with State and federal law and regulations. This IEP is reviewed at least annually.

The IEP includes areas specified by state and federal statutes and regulations.

Explanation of Procedural Safeguards

A copy of the procedural safeguards available to the parent(s) of a child with a disability is given to the parent(s). The procedural safeguards notice includes a full explanation of all the procedural safeguards available.

Child Find

The Covington City School Board maintains an active and continuing child find program designed to identify, locate and evaluate those children residing in the division who are birth to 21 inclusive who are in need of special education and related services

The School Board provides all applicable procedural safeguards including written notice to the parents of the scheduled screening and, if the child fails the screening, the results of the screening, confidentiality and maintenance of the student's scholastic record.
