

PUBLIC SOLICITATIONS IN THE SCHOOLS

A. Soliciting Funds in Schools

No person is to enter any school for the purpose of soliciting funds from personnel or students without the written consent of the Superintendent.

B. Soliciting Funds in Schools

No community, civic, school-related, or other organization shall engage in fund-raising projects or solicitation in the community using the name of the school division or one of the schools without prior approval of the Superintendent.

C. Solicitations by Employees

No employee of the school division may sell or offer for sale, within the school or school grounds, any article or service to employees or pupils, except for the regularly established school cafeteria and textbook programs. This does not prevent solicitation for the Greater Allegheny United fund, dues for employee organizations, contributions for the benefit of professional organizations, or for school organizations at regularly scheduled extracurricular events after school hours. Exception: It is permissible for schools to sell certain specialized merchandise pertaining to the individual school, such as caps and sweaters bearing the school name, within the school building.
